SUMMER EMPLOYMENT OPPORTUNITY

2017 Anticipated Summer Farm Staff Position Griswold Research Center, Griswold, CT

The Connecticut Agricultural Experiment Station is seeking applications for a summer farm worker position for the period May through September to assist the Farm Manager with field work and maintenance at the Griswold Research Center, 190 Sheldon Rd., Griswold, CT. This is an excellent opportunity for those interested in a career in biological or environmental sciences to improve your resume. Work hours are Monday through Friday, 8:00 a.m. to 4:00 p.m., 7 hours/day, 35 hours/week. We anticipate having one full time opening with no over-time.

Suggested duties may include, but not limited to; field preparation, watering, fertilizing, planting, weeding, irrigating, equipment and property maintenance and mowing. Candidate must be able to work outdoors and be willing to operate farm and power equipment including tractors, mowers, trimmers, etc. The position is physically demanding and will involve occasionally lifting heavy objects weighing 50 pounds or more. Applicants must be at least 18 years old. Current, proper, USA valid automobile driver's license required.

The anticipated start date is May 1. Applications must be received by April 12.

To apply for this position please send a letter of interest, resume and the names of three references to **Farm Manager, The Connecticut Agricultural Experiment Station Griswold Research Center, 190 Sheldon Rd., Griswold, CT 06351; e-mail to: Robert.Durgy@ct.gov**

For additional information telephone: (860) 376-0365.
